**Summary of reasons
for classification:**

The computer image file entitled *yng-025[1].jpg* is classified as:
Objectionable.

The publication tends to promote and support the exploitation of children for sexual purposes.
The publication depicts a partially naked girl playing the role of a sexual tease, encouraging the viewer to see her as an object of adult sexual desire.

The classification of this publication interferes with the freedom of expression, as set out in s14 of the New Zealand Bill of Rights Act 1990. This outcome is consistent, however, with Parliament's intention that publications falling under s3(2) of the Films, Videos, and Publications Classification Act 1993 are deemed to be objectionable. The classification is also a reasonable limitation on the freedom of expression that reflects the concern of a free and democratic society to limit the availability of publications that tend to promote and support the exploitation of children for sexual purposes.
